SECTION 2 DELIVERY OF SERVICES

- 2.1 **Acceptance by DYOPATH:** Upon execution by both Parties of this Agreement, including an Attachment A, DYOPATH will provide a tentative delivery date for the requested Service(s). DYOPATH will initiate delivery of the ordered Service(s), upon Client's compliance with the terms established for delivery of the Service(s), Client's provision of all required information as set forth in an onboarding due diligence form, and any required pre-payments ("Onboarding"). DYOPATH shall use its reasonable efforts to comply with said delivery date; provided however, should Client not perform such obligations set forth to complete the Onboarding, DYOPATH may, in its sole discretion, begin billing the established monthly recurring costs set forth in the applicable Attachment A. DYOPATH shall not be liable if said delivery date is not met, except where any such failure to meet the delivery date results from the gross negligence, or the willful acts or omissions of DYOPATH.
- 2.2 **DYOPATH Facilities:** Except as otherwise agreed in writing by DYOPATH, DYOPATH owns and shall own all rights, title, and interest to all Facilities (but not Client Data and Client Equipment). DYOPATH will provide and maintain the Facilities in good working order subject to the terms of this Agreement. Client shall not, and shall not permit others, to rearrange, disconnect, remove, attempt to repair, or otherwise tamper with or access (except to the extent authorized under this Agreement) any Facilities, without the prior written consent of DYOPATH, which consent may be withheld by DYOPATH in its sole discretion. Client shall not take any action that may result in the imposition of any lien or impediment on the Facilities. In no event will DYOPATH be liable to Client or any other Person or entity for interruption of Service or for any other loss, expense, cost, or damage caused or related to improper use or maintenance of the Facilities by Client or third parties provided access to the Facilities by Client in violation of these terms. Client shall indemnify and reimburse DYOPATH for any direct or indirect damages, losses, or claims (including reasonable attorney's fees) incurred as a result of the improper use, access, or maintenance of the Facilities by Client or third parties provided access to the Facilities by Client.
- 2.3 **Client-Provided Equipment for Co-Location Services:** If applicable and as set forth in Attachment A, to the extent the Services include co-location services, DYOPATH may install at the Facilities with Client's prior written consent certain Client Equipment ("Client Furnished Equipment"). Upon installation of Service, DYOPATH will not be responsible for the operation or maintenance of any Client Furnished Equipment, unless Client specifically contracts in writing for such Services in accordance with an Attachment A and subject to the limitations contained herein. Client represents, warrants, and covenants that it has all right to any Client Furnished Equipment. DYOPATH acknowledges and agrees that, as between the Parties, Client retains all right, title, and interest in and to all Client Furnished Equipment. Except as provided for herein, DYOPATH shall not place any liens or impediments on the Client Furnished Equipment. DYOPATH shall not permit any Person or entity to, rearrange, disconnect, remove, attempt to repair, or otherwise tamper with any Client Furnished Equipment, without the prior written consent of Client, which consent may be withheld by Client in its sole discretion. In no event will Client be liable to DYOPATH for any other loss, cost, or damage caused or related to improper use or maintenance of the Client Equipment by DYOPATH or third parties provided access to the Client Equipment in violation of these terms. The Parties agree and acknowledge that, in the event of default by Client in the payment of any sum due from Client to DYOPATH under the terms of this Agreement, DYOPATH shall have the right to place a lien upon all Client Furnished Equipment that is placed in, or become a part of, the Facilities as security for amounts due hereunder. Client grants to DYOPATH a security interest in all Client Furnished Equipment for purposes of this contractual lien. In the event of a default by Client under the terms of this Agreement, DYOPATH may take possession of all of Client Furnished Equipment and sell it at public or private sale after giving Client reasonable notice of the time and place of any public sale or of the time after that any private sale is to be made, for cash or on credit, for such prices and terms as DYOPATH deems best, with or without having the property present at the sale. The proceeds of the sale shall be applied first to the necessary and proper expense of removing, storing, and selling such property, then to the payment of any amount due or to become due under this Agreement, with the balance, if any, to be paid to Client. DYOPATH shall have the right to file a UCC-1 Financing Statement to perfect such lien.
- 2.4 **Due Diligence:** If applicable to the Services outlined in Attachment A, DYOPATH may perform discovery on all Client systems and infrastructure to ensure thorough understanding of Client's entire network and established connections to outside entities. The functions necessary to complete the scope of the due diligence will be as mutually agreed upon by the Parties. Client will ensure that all of its software and hardware is current and supported by the manufacturer.

- 2.5 **Transition Services:** As applicable to the Services outlined in Attachment A, DYOPATH may perform all services, functions, and responsibilities necessary to accomplish the transition of operations and functions comprising the scope of any transition plan agreed upon by the Parties.
- 2.5.1 **Transition-In Services.** DYOPATH shall perform services to facilitate Client's transition of service providers to DYOPATH in accordance with a transition plan. Such services shall be delivered upon completion of due diligence, shall be performed in such a manner as not to unreasonably disrupt or cause any unnecessary adverse impact to Client's business or operations, except to the extent that DYOPATH has provided Client with reasonable advance notice of such impact and Client has agreed in writing that such impact is acceptable.
- 2.5.2 **Transition-Out Services.** Upon termination of this Agreement or any Attachment A, Client may request that DYOPATH provide transition services to a new Client IT provider. In such event, Client and DYOPATH shall mutually agree upon a transition plan setting forth DYOPATH's obligations with respect to such transition services. DYOPATH will invoice fees associated with any transition services on a time and materials basis. Such fees shall be set forth on a mutually agreed-upon transition plan.
- 2.6 **Services outside the Scope of the Agreement:** Prior written agreement of the Parties is required for any performance of Services by DYOPATH outside the scope of the applicable Attachment A. DYOPATH will issue a modification to the applicable Attachment A to incorporate changes to the scope of Services and related fee changes.
- 2.7 **Modifications:** The Parties hereto may modify this Agreement to include additional or revised Attachments A hereto upon written agreement signed by both Parties. Client and DYOPATH agree to review Service support requirements quarterly or as significant changes in the number of Client end users occur. If required, DYOPATH will prepare a modification to the pricing set forth in the applicable Attachment A to reflect any changes. Installation, testing, and rollout of new systems and applications will be considered a new Service and will require a modification to the applicable Attachment A and a new pricing schedule will be provided for such new Services. If a system or application is retired or discontinued, then the pricing schedule set forth in the applicable Attachment A will be revised to remove the appropriate resources.
- 2.8 **Dedicated Resources.** Certain Services provided by DYOPATH may include a Dedicated Resource, if expressly set forth in Attachment A. Should the Dedicated Resource take sick time or paid time off or otherwise be unavailable to perform the Dedicated Resource's responsibilities, DYOPATH shall provide an alternative Dedicated Resource with substantially similar qualifications. In such event, DYOPATH shall bill Client at the same rate set forth in the applicable Attachment A for the Dedicated Resource.

SECTION 3 BILLING AND PAYMENT

- 3.1 Except as otherwise set forth in the Agreement, DYOPATH shall deliver and/or perform the Service(s) for the duration of the Service Term and Client shall pay all charges for delivery and/or performance thereof as set forth herein and in Attachment A.
- 3.2 **Commencement of Billing:** With the exception of orders for hardware and software as set forth in Section 3.2(b) below, DYOPATH will notify Client upon installation and testing, if applicable, of the Services ordered in any Attachment A. Client will have five (5) business days to provide written notification via email, to the DYOPATH Program Manager and/or Sales Representative set forth in the applicable Attachment A, detailing Service(s) that are not installed and functioning in accordance with the applicable Attachment A. Following the delivery to DYOPATH Program Manager of such notification, DYOPATH will work with Client to resolve the outstanding issues.
- a) DYOPATH shall commence billing upon installation of the Services regardless of whether Client has procured services from third-party vendors (i.e., equipment suppliers, software developers, telecommunication carriers, etc.) required to operate the Service and regardless of whether Client is otherwise prepared to accept delivery of ordered Service.
- b) For hardware and software orders, Client will be invoiced upon Client's written approval of such hardware and software orders.

- 3.3 Usage Based Services. DYOPATH will bill Client for Usage Based Services based on Client's usage at the rates set forth in the applicable Attachment A. If Client has elected a month-to-month Service Term, it may increase or decrease the Usage Based Services by any amount. If Client has committed to a longer Service Term (any number of months above a month-to-month contract), it can increase usage by any amount and can reduce usage by an amount equal to 10% of the most recent billed usage quantities. Client may only make the foregoing reduction in usage one time per Service Term.
- 3.4 Pre-Payment: Subject to the terms of the applicable Attachment A, prior to installation of Services, Client shall pay the sum of the total Non-Recurring Charges ("NRC(s)") specified in the applicable Attachment A. DYOPATH shall deliver an initial invoice to Client on the fifth (5th) business day following the Effective Date for payment of all NRCs. Client shall pay the invoice for any NRCs in accordance with the payment terms of this Agreement.
- 3.5 Invoicing: Monthly Recurring Charges ("MRC(s)") will be invoiced on the 1st day of each month for that same month of service. DYOPATH will bill Usage Based Services in arrears as determined by DYOPATH's monitoring systems or as otherwise provided by the Attachment A. For partial months of Service, except for Usage Based Services, MRCs shall be prorated based on a calendar month unless otherwise agreed.
- a) Payment of Invoices: Client will pay any amounts due within thirty (30) days of Client receipt of an invoice. Any past due amounts under any invoice shall bear interest at the rate of one and one-half percent (1.5%) per month (or, if lower, the maximum rate lawfully chargeable) from the date due through the date that such past due amounts and such accrued interest are paid in full. In the event of an overdue payment, DYOPATH may suspend Services hereunder as provided in Section 4.1. In the event DYOPATH is unable to deliver Service as a result of a Force Majeure event, Client shall not be obligated to pay DYOPATH for the affected Service for so long as DYOPATH is unable to deliver such Service.
- b) Travel: DYOPATH may be required to travel to Client's location to render Services. Client will reimburse DYOPATH for all pre-approved reasonable, allowable, allocable, and pre-approved travel expenses and transportation allowances for any DYOPATH personnel or subcontractors traveling in connection with the performance of its obligations. Travel expenses will be billed at a cost plus 5% administration fee.
- 3.6 Third Party Fees: DYOPATH shall have the right to recover from Client the amount of any fees or charges from third party vendors engaged by DYOPATH to provide the Services as set forth in the Attachment A. Such fees or charges shall be invoiced to Client in the form of a surcharge included on Client's current invoice at the then-current rates charged by such third-party vendors.
- 3.7 Taxes: Client shall pay all federal, state, local taxes, telecommunication taxes, universal fund fees, charges, surcharges, or similar fees imposed on the Services and/or products that are the subject of the Agreement. Client shall provide DYOPATH any and all documentation substantiating a claim for exemption from taxes or fees prior to the date that Services are first provided under the Agreement. To the extent such documentation is held invalid for any reason, Client shall reimburse DYOPATH for any tax or fee liability including without limitation related interest and penalties arising from such invalid documentation. Client hereby waives any claims it may have regarding DYOPATH's collection or remittance of such fees, taxes, and surcharges; provided that DYOPATH shall refund Client for any such fees, taxes, and surcharges collected that are later determined to not be payable.
- 3.8 Regulatory and Legal Changes: In the event of any change in applicable law, regulation, decision, rule, or order that increases the costs or other terms of delivery of Services, DYOPATH may increase the fees charged to Client, provided, however, that any such increase in cost to DYOPATH will be a pass-through expense that will be charged to Client and same shall reflect the pro-rata portion of such increase attributable to Services to Client relative to all DYOPATH's clients.
- 3.9 Disputed Invoices: If Client disputes any portion of a DYOPATH invoice, Client must pay the undisputed portion of the invoice in accordance with the terms and conditions of this Agreement and the applicable Attachment A and submit a written claim with associated reasons to DYOPATH's accounts receivable department with a

copy to ar@DYOPATH.com, for the disputed amount. All claims must be submitted to DYOPATH within twenty (20) business days from the invoice date for those Services. Client waives the right to dispute any charges not disputed within the time frame set forth above. In the event that the dispute is resolved against Client in accordance with the procedures hereunder, Client shall pay such amounts plus interest at the rate referenced above.

- 3.10 **Termination Charges:** In the event that, prior to the end of the Service Term, Client terminates the Agreement or any Attachment A pursuant to Section 4.2 below, Client shall pay termination charges in accordance with Section 4 of this Agreement.
- 3.11 **Fraudulent Use of Client Related Services by Client Personnel:** Client is responsible for all charges incurred for Services by Client personnel, even if incurred as the result of fraudulent or unauthorized use of Services by such personnel.
- 3.12 **Current Market Conditions:** Fees shall be set forth in the applicable Attachment A and are subject to change based on current market conditions. DYOPATH shall increase fees by 5% and will provide Client with thirty (30) days' prior written notice of any change to the fees.

SECTION 4 TERM; TERMINATION

- 4.1 **Term:** The Agreement shall commence upon the Effective Date and shall remain in effect until terminated as set forth herein.
- 4.2 **Termination for Convenience:** Either Party may terminate the Agreement or any Attachment A upon ninety (90) days' prior written notice to the other Party. Upon such notification, DYOPATH shall issue a final monthly invoice to Client no later than thirty (30) days prior to termination of the Agreement or Attachment A and shall be due upon receipt by Client. Upon the effective date of termination, any remaining MRCs, NRCs, third party, or time and materials, etc. charges will be invoiced and due upon receipt.

In the event that, prior to the end of the Service Term, Client terminates the Agreement or any Attachment A pursuant to this Section 4.2, Client shall pay a termination charge equal to:

Termination Charge
75% of the Remaining Contract Balance*

* The "Remaining Contract Balance" shall be defined as a total of the MRCs and any other unpaid fees multiplied by the number of months remaining in the applicable Service Term.

- 4.3 **Termination for Default:**
 - 4.3.1 Either Party may, upon thirty (30) days' prior written notice terminate the Agreement, and in the case of Client, without incurring a termination charge, for default by the other Party in any of the following circumstances:
 - a) The other Party admits in writing its inability to pay its debts as they come due;
 - b) The other Party admits in writing its inability to perform its duties under this Agreement;
 - c) The other Party seeks protection from its creditors under the bankruptcy laws, if a trustee or receiver is appointed over its assets, or if an involuntary petition in bankruptcy is filed but not removed within sixty (60) days;
 - d) The other Party materially breaches a provision of the contract and fails to cure such breach within ten (10) business days of receipt of written notice from the terminating Party demanding such cure.
 - e) The other Party violates any law, rule, regulation or policy of any governmental authority related to Services and which violation (i) was not caused in whole or in part by the terminating Party and (ii) could reasonably be expected to expose the terminating Party to liability for such violation (provided, however, that if the non-terminating Party is able to cure the effects of such violation within ten (10) business days of becoming aware of such violation, the

terminating Party may not terminate the Agreement, or in the case of DYOPATH, discontinue any Services);

- f) The other Party makes a material misrepresentation in connection with the Agreement or the delivery of Services (provided, however, that if the non-terminating Party is able to cure such misrepresentation within ten (10) business days of becoming aware of such misrepresentation, the terminating Party may not terminate this Agreement or in the case of DYOPATH, discontinue any Services); or
- (g) A court or other governmental authority prohibits DYOPATH from furnishing any Service under the Agreement.

4.3.2 DYOPATH may terminate the Agreement prior to the end of the Service Term as outlined on the applicable Attachment A, without liability, by notifying Client of its election to terminate pursuant to this Section 4.3.2 and the effective date of such termination if invoice amounts, not including amounts being disputed under Section 3.9, have not been paid for more than sixty (60) days past invoice receipt date and remain unpaid as of the date on which such termination notice is delivered.

4.4 Effect of Termination. After receipt of a notice of termination, DYOPATH shall immediately stop work as specified in such notice and place no further orders for materials, services, or facilities. DYOPATH shall not retain any Client Data beyond the effective date of termination of the Agreement, except as permitted in this Agreement. All Client Equipment will be released upon payment in full of final invoice(s). Client agrees that it is responsible for all monthly recurring costs for any term remaining on any dedicated services or equipment procured by DYOPATH from a third party for the sole benefit of Client (e.g., MPLS or Internet circuit).

SECTION 5 LIABILITY, WARRANTIES, DISCLAIMERS

5.1 Service Interruptions and Delivery: DYOPATH provides specific remedies regarding installation of Services and availability of Services. In the event of a failure to deliver the Services, Client's sole remedies shall be as set forth in this Section 5 and in Section 4. Client acknowledges that DYOPATH is relying on said limitation of remedies set forth in this Section 5 and Section 4 in agreeing to provide Services to Client.

5.2 Limitation on Damages: Notwithstanding any other provision hereof, neither Party shall be liable for any punitive, exemplary, special, indirect, incidental, or consequential damages arising out of or relating to this Agreement, regardless of the legal theory under which such damages are sought, and even if the Parties have been advised of the possibility of such damages or loss.

5.3 Limitation of Liability: Client agrees that the sole remedies for the breach of any of the warranties contained in the Agreement shall be limited to the remedies expressly stated in this Agreement. THE TOTAL LIABILITY, IF ANY, OF DYOPATH (INCLUDING, AS APPLICABLE, ITS SUBSIDIARIES, PARENT AND SUBSIDIARIES OF ITS PARENT, ITS LICENSORS, EMPLOYEES, OFFICERS, DIRECTORS, MANAGERS, EQUITYHOLDERS, LENDERS AND AGENTS AND AFFILIATES THEREOF) IN THE AGGREGATE OVER THE TERM OF THIS AGREEMENT FOR ALL CLAIMS, CAUSES OF ACTION, LOSSES OR LIABILITY WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE ARISING UNDER OR IN ANY WAY RELATED TO THIS AGREEMENT AND/OR THE SERVICES PROVIDED HEREUNDER (COLLECTIVELY, "CLAIMS"), SHALL BE LIMITED TO THE LESSER OF: (A) CLIENT'S DIRECT DAMAGES, ACTUALLY INCURRED, OR (B) THE TOTAL FEES PAID BY CLIENT TO DYOPATH IN THE MOST RECENT SIX (6) MONTH PERIOD PRIOR TO THE DATE OF THE CLAIM.

5.4 LIMITED WARRANTY: With respect to each Service provided under the Agreement, DYOPATH warrants to Client that, for a period of ninety (90) calendar days after the date of delivery of such Service to Client ("Client Service Warranty Period"), such Service will substantially conform to any applicable functional specifications for such Service that are described in the applicable Attachment B or modification thereto. If any Service does not perform as expressly warranted in this Section 5.4, Client will notify DYOPATH in writing and DYOPATH will, at its sole option and expense: (a) reperform, replace or modify such Service with a Service that performs as expressly warranted in this Section 5.4 or (b) if DYOPATH determines that the foregoing is not commercially reasonable, refund to Client the prices paid by Client associated with such Service under the Agreement. The foregoing limited warranty does not cover repair or replacement of or refunds for Services, if the nonconformity to such limited warranty is caused, in whole or in part, by: (i) alteration, modification, or correction made by a party other than by DYOPATH or a third party engaged by DYOPATH; (ii) software,

hardware, or interfacing not provided by DYOPATH or a third party engaged by DYOPATH or specified in the applicable Attachment B; (iii) abuse, misuse, or improper installation of the Services by a party other than by DYOPATH or a third party engaged by DYOPATH; or (iv) any change to Client's computing environment that would affect the specific Service. THE FOREGOING PROVISIONS OF THIS SECTION 5.4 STATES THE ENTIRE LIABILITY AND OBLIGATIONS OF DYOPATH, AND THE EXCLUSIVE REMEDY OF CLIENT, WITH RESPECT TO ANY BREACH OF THE LIMITED WARRANTY IN THIS SECTION 5.4.

5.5 Disclaimer: EXCEPT FOR THE LIMITED WARRANTIES SET FORTH IN SECTION 5.4 and 5.6, DYOPATH DOES NOT MAKE ANY OTHER REPRESENTATIONS, WARRANTIES OR CONDITIONS OF ANY KIND, WHETHER ORAL OR WRITTEN, WHETHER EXPRESS, IMPLIED, OR ARISING BY STATUTE, CUSTOM, COURSE OF DEALING OR TRADE USAGE, WITH RESPECT TO THE SUBJECT MATTER OF THIS AGREEMENT, IN CONNECTION WITH THIS AGREEMENT. DYOPATH SPECIFICALLY DISCLAIMS ANY AND ALL IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT. DYOPATH DOES NOT WARRANT THAT NY SERVICES PROVIDED UNDER THIS AGREEMENT WILL MEET CLIENT'S REQUIREMENTS, THAT THE OPERATION OF THE SERVICE(S) WILL BE UNINTERRUPTED OR ERROR FREE, OR THAT DEFECTS IN THE SERVICE(S) WILL BE CORRECTED.

5.6 DYOPATH represents and warrants that:

- a) DYOPATH is duly licensed, authorized, and qualified to do business and is in good standing in every jurisdiction in which a license, authorization, or qualification is required for the ownership or leasing of its assets or the transaction of business of the character transacted by it, except where the failure to be so licensed, authorized or qualified would not have a material adverse effect on DYOPATH's ability to fulfill its obligations under or otherwise perform the Agreement;
- b) There is no outstanding litigation, arbitrated matter, or other dispute to which DYOPATH is a party which, if decided unfavorably to DYOPATH, and there are no outstanding judgments against DYOPATH, would have a material adverse effect on DYOPATH's ability to fulfill its obligations under or otherwise perform the Agreement;
- c) DYOPATH is capable of providing, and possesses the resources, capacity, expertise, and ability necessary to provide, the Services in accordance with the Agreement and the Services shall be rendered with promptness and diligence and be executed in a professional manner;
- d) Without limiting DYOPATH's obligations under the Agreement, DYOPATH shall make commercially reasonable efforts to ensure that no Destructive Elements are coded or introduced into the Services or Deliverables by DYOPATH or DYOPATH's agents and shall use commercially reasonable efforts to prevent from being coded or introduced into the Services, or Deliverables by any third party. If DYOPATH becomes aware that a Destructive Element has been introduced into the Services, or Deliverables, DYOPATH shall make reasonable efforts to mitigate the effects of the Destructive Element and, if the Destructive Element causes a loss of operational efficiency or loss of data, make reasonable efforts to mitigate and restore such losses. With respect to any Destructive Elements that may be part of Services, or Deliverables, DYOPATH shall not, nor permit any other third party to, invoke such Destructive Elements at any time, without Client's consent.

5.7 Security Procedures: Client agrees that its employees, agents, contractors, or representatives shall not knowingly attempt, in any way, to circumvent or otherwise interfere with any security precautions, procedural controls, or any of DYOPATH's policies relating to the Services provided hereunder. Any such actions may cause a disruption in the provision of Service. Any disruption of Services which results from the violation of this Section shall be excluded from DYOPATH's obligations under Attachment B and Client will have no right to any remedy under the Attachment B or otherwise with respect to such disruption; save and except where any such disruption of Services result from the negligence or willful acts or omissions of DYOPATH or a third party engaged by DYOPATH.

5.7.1 DYOPATH will conduct routine scheduled maintenance of its data center and data center services, as are reasonably required to maintain the facilities and service. In the event a mission critical maintenance situation arises, DYOPATH may be required to perform emergency maintenance at any time. During these scheduled and emergency maintenance periods, Client Equipment may be unable to transmit and receive data and Client may be unable to access the Client Equipment. Client agrees to cooperate with DYOPATH during the scheduled and emergency maintenance periods. Unscheduled maintenance will not constitute an event of Default by DYOPATH.

- 5.7.2 At times, actions or inactions caused by third parties (“Third Party Actions”) (e.g., denial of service attacks) can produce situations in which Client’s connections to the Internet (or portions thereof) or other portions of Client’s Service may be impaired or disrupted. DYOPATH cannot guarantee that such situations will not occur and, accordingly, DYOPATH disclaims any and all liability resulting from or related to such events (other than as set forth in this Agreement). In the event that Client’s use of the Services, interaction with the internet, or use of third parties is causing harm to or threatens to cause harm to the network or operations of DYOPATH, or the operations of other DYOPATH clients, DYOPATH shall have the right to suspend upon 5 business days’ written notice without liability Client’s Services which may be the cause of the disruption or which may be adversely impacted by such conditions. DYOPATH shall restore Service at such time, as it reasonably deems, that there is no further harm or threat of harm to the DYOPATH network or its operations or the operations of other DYOPATH clients.
- 5.7.3 Upon notification of the existence of an abusable resource, Client shall immediately take all necessary steps to avoid any further abuse of such resource. Any continued abuse of any DYOPATH resource that occurs after Client has received such notification shall be considered a violation of this Agreement. DYOPATH reserves the right to suspend and/or terminate a Client’s Service at any time for any material failure of Client or its users to comply with this Section 5.7, and such material failure is not cured within 10 business days of DYOPATH’s notification to Client of such material failure.
- 5.7.4 Client must use reasonable security precautions in its use of the Services, including encrypting any Personal Information transmitted via, or stored on, the Services and accepts all risks related thereof. Client releases DYOPATH for all related liability arising from its failure to meet the foregoing requirements with respect to its use of the Services.
